Freedom Solar wins ACG Central Texas Growth Award

***Award recognizes top businesses with sustained growth
and financial performance in Central Texas***

AUSTIN— Freedom Solar Power recently won the prestigious ACG Central Texas Growth Award, which recognizes market-leading companies that have made their mark with sustained growth and financial performance in Central Texas.

Freedom Solar is Texas' leading turnkey solar installation company providing high-quality, cost effective, reliable solar solutions for residential and commercial markets.

Kyle Frazier, director of sales, says: "We're honored to be recognized as one of the leading companies making Central Texas a thriving business community. Solar is the fastest growing source of electrical generation in the U.S. and it will continue to dominate as efficiency increases and prices fall. There isn't a better place to invest right now, with less volatility, than solar— especially in Texas."

Freedom Solar Power is currently the number one supplier of residential solar systems in Austin, according to Austin Energy (Freedom Solar supplied more than half of the residential solar systems in the fourth quarter of 2015).

This ACG Central Texas Growth Award comes on the heels of Freedom Solar being named third-fastest growing company in Central Texas by the Austin Business Journal in 2015, and SunPower's commercial regional top producer of the year in 2015.

"When you're able to help people switch to a long-term energy source that saves them money, brings economic development and helps the environment, that's a great day at work. We're grateful to receive this award for a business we're truly passionate about, and we owe that success to our growing team of solar champions at Freedom Solar," says Bret Biggart, managing director.

The Central Texas Chapter of ACG encompasses Austin, San Antonio and surrounding areas, and is one of three chapters in Texas. Freedom Solar won the award for the \$10-\$25 million annual revenue Austin-headquartered business category, defeating finalists Tiff's Treats and Noonday Collection.
